

8-core optical fiber separator exported from Brazil

Overview

The equipment is used as a termination point for the feeder cable to connect with the drop cable in the FTTx communication network system. The fiber splicing, splitting, and distribution can be done in this box, and meanwhile, it provides solid protection and management for the FTTx. Why Volza is Best?

Volza's Big Data technology scans over 32,598 Fiber Separator export import data, 2,707 buyers & 2,709 suppliers records to identify new buyers, profitable markets, reliable suppliers, and promising products.
