

# Belgian Warranty for Active Optical Components 1 6T

## Overview

The legal guarantee applies for a period of 2 years, starting the day of delivery. It is advisable, therefore, to retain the delivery receipt and tracking information you received from the parcel service. These (opto-)electronic devices allow data transmission over copper and fiber cables. A wide range of form factors are available allowing data rates from 100Mbps up to 800Gbps. Skylane Optics offers the full range of transceivers with a unique. Under Belgian law, a difference has to be made between the legal guarantee for consumer goods only and the common law guarantee for all goods (i. not only consumer goods) for hidden defects. But sometimes a producer or manufacturer may offer an extra guarantee: the commercial warranty or manufacturer's warranty. 6T transceivers firmware supports CMIS 5.

## Belgian Warranty for Active Optical Components 1 6T

Contractual liability plays a significant role in the Belgian system of product liability and in particular the latent defects warranty (garantie des vices cachés) under the sale of goods regime.
