

Delivery date of IK10 fiber-reinforced spiral tubing

Overview

Same and Next Day Delivery. How can we improve?

Choose from our selection of spiral tubing, including spiral sleeving, chemical-resistant spiral sleeving, and more. of going to press. However, we reserve the right to alter, amend and update any product, information and service descriptional applications. The group was founded in 1973, and since then, has evolved into the leading provider of composite thermosetting pipe systems and technologies in Europe. Spiral Tubing is a resin infusion standard and is ideally suited for in-bag vacuum line extenders or resin feed lines. Use in applications up to 350 psi. Protect sensitive equipment with this tubing— it is specially formulated to reduce the buildup of static.

Delivery date of IK10 fiber-reinforced spiral tubing

Our spiral cut tubing is easily assembled and helps keep wiring managed. Where strength is important, we extrude performance resins such as PTFE, FEP, PFA, PEEK, and more, which provide a strong ...

Our high-performance spiral hoses and fittings are ideal for a wide range of applications, including construction, mining, oil and gas, and more. Choose Danfoss for reliable, high-performance fluid ...

Choose from our selection of spiral tubing, including spiral sleeving, chemical-resistant spiral sleeving, and more. Same and Next Day Delivery.

Construction: This hose consists of an inner tube of oil synthetic rubber, four wire spiral reinforcement, and an oil and weather resistant synthetic rubber cover.

This tubing is ideally suited for in bag vacuum line extenders or resin feed lines. Compatible with all of our hose fittings. In stock for same day shipment.

Its advanced design allows the use of light-weight, corrosion-resistant PVC to replace bulkier and heavier ply-wrapped rubber hose. NEWFLEX series "FH" and "FHS" are clear, allowing the user to ...

DESCRIPTION GENERAL Fiberstrong™ non-restrained pipe and joint are Fiberglass Reinforced Plastic (FRP) flexible corrosion resistant pipe system intended for underground use*. It consists of a ...

Choose from our selection of reinforced tubing, including high-pressure soft plastic tubing, hard plastic tubing, and more. Same and Next Day Delivery.

Choose from our selection of reinforced hose, including over 1,900 products in a wide range of styles and sizes. Same and Next Day Delivery.

Low to medium pressures hose that will handle high temperature hydraulic fluids such as mineral and vegetable oils, diesel, B20, petrol, E10, aqueous emulsions, water, air and inert gases.
