

# Gabon Optical Cable Splice Box Price Inquiry

## Overview

389,00F CFA Point d'interconnexion de câbles de fibre optique, pour 6 fibres optiques, constitué de boîte murale d'acier galvanisé, comme registre principal de câbles de fibre optique; 6 connecteurs et 6 adaptateurs SC simple pour fibres optiques monomode. An Optical Ground Wire (OPGW) splice box is a critical component in power and telecommunications infrastructure, designed to protect and organize fiber optic splices within overhead ground wires. These boxes ensure signal integrity, mechanical protection, and environmental resistance for fiber. This splice enclosure is designed as a simple distribution box for indoor installation. The enclosure can be used for distribution of pre-connected cable or blown cable. A perfect solution for above and below grade applications.

## Gabon Optical Cable Splice Box Price Inquiry
