

Honduras Lightweight Cable Tray

Honduras Lightweight Cable Tray

Made from high-grade PVC, our cable trays are resistant to rust, chemicals, and corrosion, making them ideal for use in harsh environments. PVC's lightweight nature makes handling and installation a breeze.

The trays inside buildings can be installed independently or attached to various building structures and pipe gallery supports.

We offer Cable Tray in Honduras in different specifications at competitive market prices. Our range is customized and passes stringent quality tests, before reaching the market.
