

The head of the counter is offline

Overview

Dashboard is bugged out right now. If you really want to know how many viewers you have, you'll have to open your channel instead of dash. The meeting was running long, so someone said what they always say: "let's take this offline." For Krystal Graylin, that phrase — hollow corporate shorthand for a problem deferred, not solved — became something else entirely. Graylin, a former Microsoft product manager, and her. This article attempts to distill conversations to straight-forward text and may be missing some paths; complete flowcharts for all Roathe conversations can be found here in PNG and here in SVG. All ending conversations (where the Hex goes offline) will be marked as {Convo ends.
